Note The Following Announcement From The Association

February 20, 1928.

After this date, acting under instructions of the Board of Directors, this office will omit the affix "Imp" and also the words "tracing to" where they appear in the registry certificates.

It is felt that these terms place undue emphasis on the imported cow in the pedigree.

You may receive a duplicate of this notice. This cannot be avoided except at greater expense for checking outgoing mail for this purpose.

AMERICAN SHORTHORN BREEDERS' ASSOCIATION,
13 Dexter Park Avenue, Stock Yards Station, Chicago, Illinois.

This notice is called attention to at this time as it affects some of the pedigrees appearing in this catalog, namely, four of the Fennern entries and four of the Buchholz entries. There may be more, but these are all that I noticed when going over them for the catalog. Personally, I think this is a move in the right direction but, until the new order is understood, we shall in fairness to all who have Scotch pedigrees, call attention to them when selling. With one or two exceptions this entire offering are Scotch breeding of a high order.

General Information

FREIGHT RATES—It has been our custom the past two years to devote a page in the catalogue to freight rates. This was done to inform buyers on the half rate applicable to shipments in less than car lots. This rate had been running on this basis in one year periods until December 31, 1926. At that time the carriers renewed the half rate and did not put on any closing date for it and we are, therefore, lead to believe that it will be continued indefinitely. This has been a fine thing for the breeders of purebred cattle and horses and no one can justly stay out of the market on account of freight rates for less than car lot shipments, regardless of distance, as the present rate is reasonable.

The following estimates for freight charges, if shipment goes all the way over the same system, are approximately correct. One animal, either bull or female, will cost a minimum of \$7.00 for any distance. This applies up to 50 to 60 miles. From 60 to 110 miles, \$8.00 to \$10.00; 110 to 225 miles, \$10.00 to \$15.00; from 225 to 450 miles, \$15.00 to \$20.00. Add about a half more for two head and about double the above amounts for three head. If a transfer is made from one road to the other the rate is a little higher as it is on a basis of two locals, but one-half of the first class rate of the two locals applies.

We aim to have the rate quoted on the contract when shipment is made. In case this quotation is not acceptable to the local agent of the buyer and any controversy should arise between a buyer and his local agent, upon arrival of a shipment, the buyer is urged to write to the Sale Manager promptly. We have no difficulty in getting rates satisfactorily adjusted when taken up in the right way.

MAIL BIDS—Every year I receive a number of mail bids from parties who cannot attend the sale. These may be sent in care of The Castle Hotel, Omaha, Nebr., or parties may send mail bids to M. T. White of the Homestead or to the auctioneers. Same should be sent in my care to The Castle Hotel.

H. C. McKELVIE.

Guarantee endorsed by The American Short-horn Breeders Association

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of freight and maintenance in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded within interest or of accepting a substitute as stipulated above. Salvage to go to the seller.

It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a sixty-day retest for tuberculosis, or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputized by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal, except purchaser shall agree to accept a substitute.

6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

TERMS—Cash, except other arrangements are made with consignors before the sale.

It shall be expressly understood that sale manager assumes no liability, legal or otherwise, and that the above guarantees and terms shall constitute a contract between the consignor and purchaser of each lot.

Mr. Fennern is selling six choice bulls, Lots 1 to 6 inclusive. Five of these are by Village Vanguard about which he writes as follows: "Village Vanguard is truly a great bull, weighing 2250 pounds as a 4-year-old in breeding condition. Matt White says he is by far the best living son of Village Beau". Preceding him in service in the Fennern herd were the \$5000.00 Dale's Emblem by Dale Clarion and Double Dale, a 2450 pound 4-year-old son of Dale's Emblem out of a Dale's Challenger dam. Certainly there is no greater assurance of thickness in Shorthorns than such breeding gives.

He is the making of a real herd bull. I have sold bulls of this family to go to Canada and South America, and this bull is the equal of any of them. His dam is solid red by Double Dale, is a full sister to one of the two bulls that sired the first prize and reserve champion load of feeder calves at the recent Denver Stock Show.

Dale's Last, roan, is of correct type; he is smooth, deep, and thick, is full in the quarters and has the head of a sire. He is a full brother to the bull that won first prize at Iowa State Fair in 1924. His dam is a dark roan and one of my best cows, she being by the International Grand Champion, King Secret. Two sons of Double Dale sired the reserved champion load of feeder calves at the National Western Stock Show held at Denver. This is your last chance to get a son of Double Dale. Buy him.

A beautiful roan, low set, compact, with a head that can't be beat. He was used successfully in our herd. One of his calves, the only one we ever showed, being shown in the Calf Club to 3rd place at the Iowa State Fair and also being included in the first prize mixed group at Des Moines. He is a sure breeder.

The picture on the front cover is of Currie Bros.' present herd bull.

Then comes "Clipper Baron" a full brother to Supreme King, now doing service in the Bellow's herd.

Then "Cumberland's Type 7th" a son of the famous Cumberland's Type.

Next, "Linwood Type" by "King Cumberland" 3rd.

Then "Elanwood Sultan" a grandson of Whitehall Sultan. Then farther down you find "Champion of England."

He also carries a duplicate of this pedigree on his back and we can highly recommend him to any one who desires a high class sire.

Mr. Nott certainly pays a real tribute to Golden Goods when he says, "It is like parting with a hired man that has taken the best of interest". Any farmer or stockman can understand that sort of language. Frankly, this has been one of the best breeding bulls in the state of Nebraska and we hope that he will not be discounted too much on account of his age as one or two crops of calves from him will justify a strong initial cost.
